At the back end of the deck, guest will be able to enjoy themselves while being seated on cushion couch with table to accommodate their beverage or meal. Entering the very elegant and spacious main salon, once her two sliding glass doors open either automatically or manually, you will instantly be captivated from what you will come upon. To each side of the salon, there are two exquisite four seat sofas. These sofas are accompanied by two wooden coffee tables, one at each side and a large box low cut coffee table in the center along with two sofa chairs across, offering more space. For your viewing pleasure, a 42 inch Plasma T.V is situated at the end of the salon connected with Satellite transmitter. For more fun, you have DVD/CD/Radio and Games. Your exquisite meals shall be served to you on the grand rosewood table in the dining-room, adjacent to the open salon.

To the left of the dining area is the entrance to the galley and to the right of the dining area down the hall are the stairs leading down to the cabin or stairs going up leading to the Owners cabin. Directly in front of you, is your VIP cabin and right next to the VIP cabin is one of the Double cabins. The VIP cabin, which is genuinely rich in mahogany paneling, features a queen-size bed, a desk that can be used as boudoir or as office space. On each side of the bed, there is a three drawer night table with lamps, giving further space to store your belongings and light should you wish to read or add in your cabin. The VIP cabin has en suite bathroom, spacious closet, large windows along its starboard side. Furthermore, there is an adjacent Twin Cabin, with lighter finish of burl wood paneling and it has the ability to be transformed into a luxurious suite by simply closing off the area a private lobby between the two cabins is created and thus a separate wing of complete privacy prevails. Both cabins have TV/DVD/CD/Radio, Satellite transmitter and air-conditioning throughout. Your exquisite Owners suite is located on the upper deck and has adjoining private office . With a breathtaking panoramic view of the sea and private

balcony leading to the deck, guests are sure to find themselves in a difficult position to leave their quarters. Directly off the Owners cabin, separated by an adjoining door and hallway, this transferable space serves as either the private office of the Owners cabin or as an upper salon set to entertain relaxing moments of reading or interactive sessions of game playing and movie watching on the 42 in Plasma TV. Again this room is fitted with TV Satellite transmitter DVD/CD/Radio/Games and is fully air-conditioned. Now should guests wish to play a serious game of chess, this too is also available, because there is a chess table just for that! There is a walk-in closet with ample space for your wardrobe and en suite facilities with shower and Jacuzzi and two water facets. Guests will have a wonderful sleep on their comfortable king size bed, now should they wish to read a book or magazine, there are lamps at each sides of the bed standing on three drawer tables. Should you wish to quench your thirst in the middle of the night or just do not feel like being bothered, you may do so by proceeding to the mini-fridge in the salon of your cabin.

From the upper deck, you may proceed to the sun deck where you will find a Jacuzzi waiting for you! There is also a bbq and a bar, where you may have your drinks served to you by your extremely professional and humble crew. You may enjoy your beverage at the bar, or at your two half-moon cushion couch with table directly in front of them.
